CLEANERNATION LANDING PAGES: CleanerNation can assist you or your web master to make minor changes to your EXISTING WEBSITE so that it works with your CleanerNation listing to improve your search engine page position. Or we can develop special optimized landing pages for you using the CleanerNation format. There will be a page for each of your 10 target cities and each will link back to your original website if you have one. There is no additional charge to develop and host these pages for you. You own them and upon completion of your annual campaign you may acquire the files and domain name if you desire.
